**Twice As Nice**

**Dysport Days**

2 DATES ONLY

*September 8, 2010*

*September 22, 2010*

*Bring in a friend (who is new to the office) for a Dysport treatment, and you and your friend will receive 50 % off your treatment. (savings of \$100-\$425 per person).*

*Don't have a friend that is ready to try Dysport? We understand the timing may not be right for everyone. You can still receive 25% off your treatment.*

*Keep in mind that the manufacturer for Dysport is still running the "Love it or Leave it" program, which ends Sept 30. With this program you could potentially save an additional \$150 on two treatments of Dysport.*

*Fewer lines + saving money...now that's twice as nice!*
